Live Stream Ministry

In the coming weeks, we will be moving forward with plans to improve our livestream. This will include removing the current set-up from the chancel, adding cameras and lighting so that we can better see readers at the lectern, pulpit, and also the font. There will also be an audio/video station located in a discrete area at the back of the church. Our goal is to make the equipment as invisible as possible. It will also enable us to be able to continue this ministry into the future. The various pieces of equipment for this project is estimated to cost **\$7316.00** plus tax and shipping. If you would like to contribute towards this project, you can e-transfer or put an envelope in the plate. Just make sure it's marked "Livestream."

Evening Prayer & Benediction

After being put on hold due to orange phase regulations, we will be offering Evening Prayer once again on the first Sunday of the month, with the next service being on **May 2 at 7 p.m.** Rooted within our Anglican tradition, this is a quiet, reflective service which combines Evening Prayer from the Book of Common Prayer with an extended time of prayer in the presence of the Blessed Sacrament. Please note that incense will be used at this service.

Mission Beyond the Parish Yard Sale

It was decided at the Committee meeting last Wednesday that due to the increased complexity of effort, the Covid-19 risk and the potential for diminished returns, to defer the spring sale to a later date, possibly in the fall if the situation so dictates.

Yellow Phase Regulations

During the yellow phase of the GNB's recovery plan, we are permitted to gather at St. Paul's with 2m distancing. There is no cap on the number - we are limited only by our physical space. It is possible in this phase to have congregational singing with masking.

ACW

The ACW will be collecting children's new or gently used clothing to send to the North this May. Monetary donations welcome. Geraldine and Jean can use the money to make purchases from Frenchy's or Value Village. Thank you

Lectionary Bible Study

Fr. Paul's weekly Bible study based on the Sunday readings continues each Wednesday at 10 a.m., via Zoom. Please reach out to Fr. Paul if you're interested in joining.

Indian Dinner

There is a fund raising Indian Seafood dinner for take-out on Saturday, 1 May. It will be a complete meal with salmon, shrimp, side dishes and dessert. The tickets are \$40 each with a tax receipt for \$20. The tickets will be on sale in the office daily from 9 to 1 pm. Those who have requested tickets may pick them up with the receipts on Sunday. The funds raised will go towards a day programme for seniors at our parish and the community at large. It will be exciting to start this outreach. We need everyone's support.

Preschool Programme

A taskforce lead by Amanda Fowlie has been researching and preparing a proposal for an early childhood daycare program here at St. Paul's. With the experience and resources we already possess with the success of our After School program, this seemed a good outreach opportunity to serve our community as well as wise stewardship; investing for the future. The likely launch date is September. If you are interested in reserving a space for a child you know, aged 2-4, please contact our office.
